### Zeigler's Waterfowl and Birds

Three-time World Champion Harvey Zeigler has sculpted a line of Waterfowl and Bird Bodies and Heads available exclusively at Authentic Taxidermy Supply.

These are the same bodies used by Harvey and son, Ryan, in their mounting. Harvey offers to you the same Goose Bodies and Artificial Heads (including open mouth heads) used to win the 2001 & 2005 World Championships.

#### AUTHENTIC TRAINING:

Ask about Harvey's Advanced Bird Classes
